

Bunny Egg Holder

Color “zendoodled” bunny ears to make a fanciful holder for an Easter egg.

You will need:

- [Bunny wraps](#) printed on card stock (color/pattern of choice)
- [Zendoodle bunny ears](#) printed on white copy paper
- Colored markers or pencils
- Glue stick
- Scissors (scalloped or regular)
- Easter egg

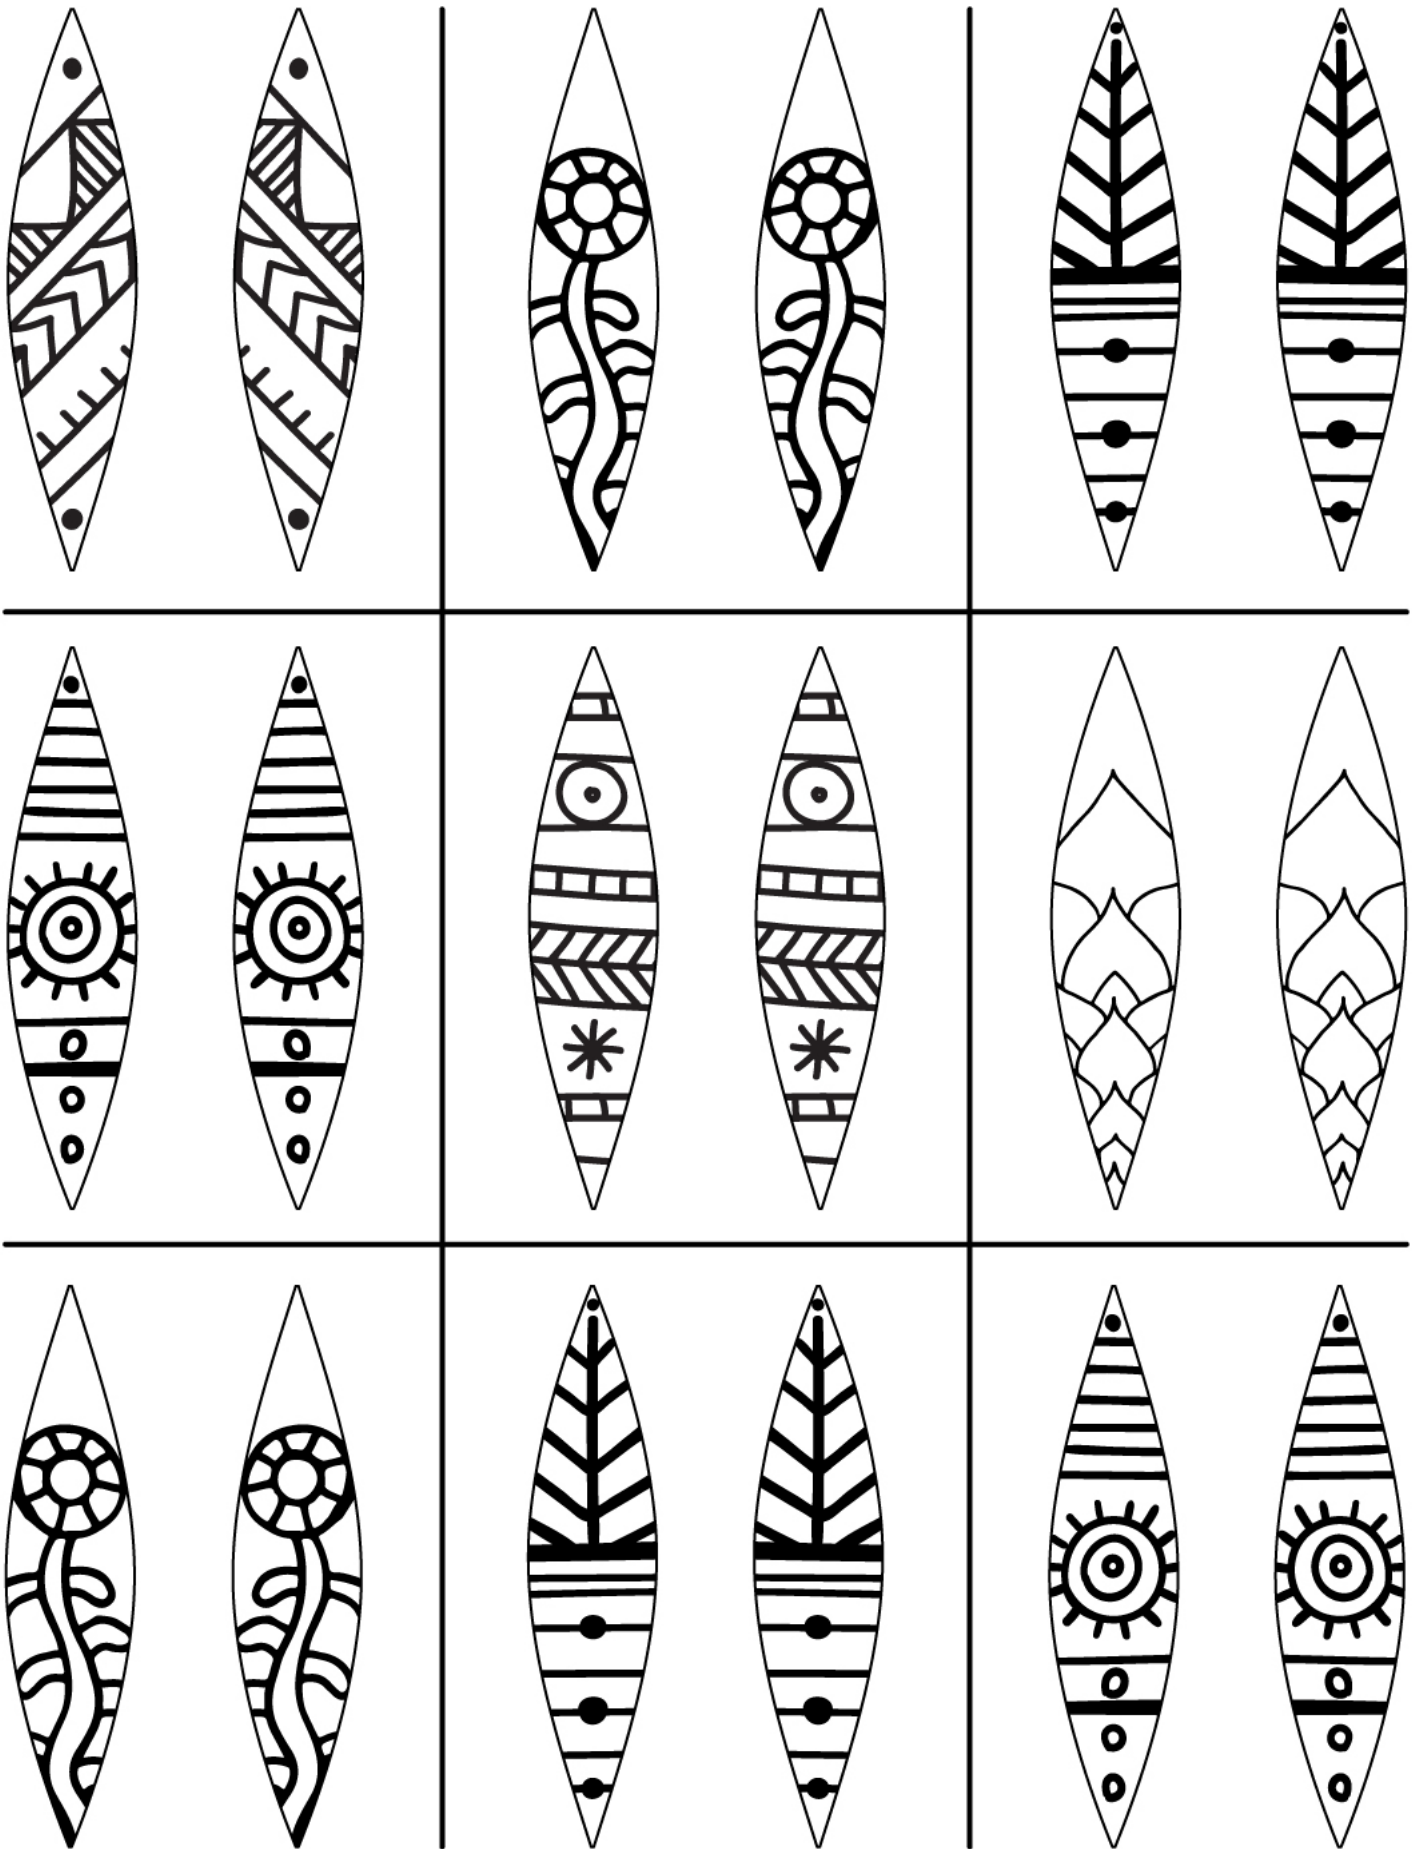

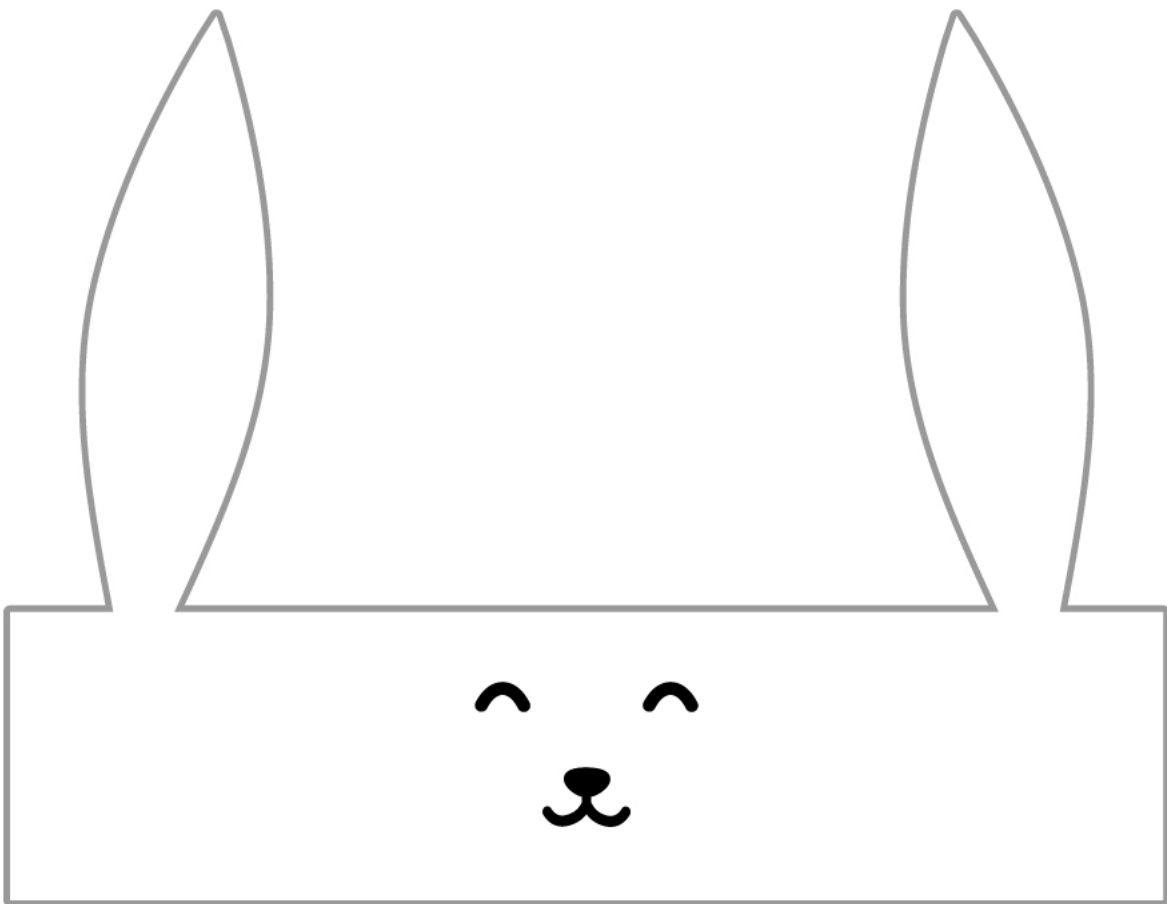

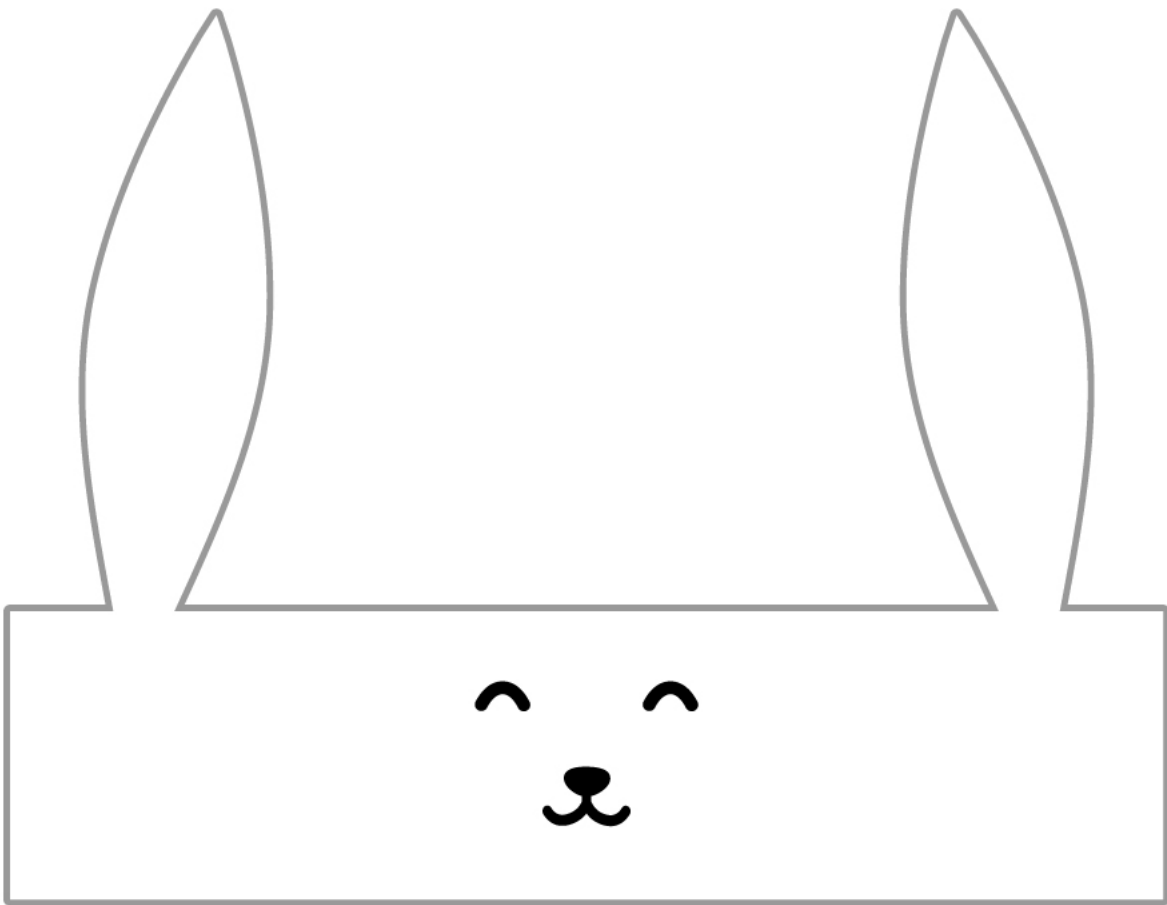

Display a [picture of a completed Bunny Egg Holder](#) so crafters can see how cute the project is.

Directions:

1. Choose a bunny ear pattern and color both ears. Cut out the colored ears.
2. Cut out a bunny wrap.
3. Turn the wrap facedown and glue the decorated ears to the corresponding ears on the wrap.
4. With the bunny facing out, glue the ends of the wrap so they overlap by about 1/2" as shown.
5. Set the holder upright and place your egg inside.
